MAGIC OCEANS RESORT

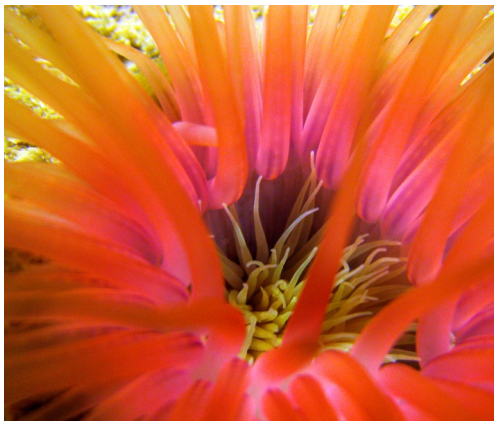

Tour Leader - Brian

The Republic of the Philippines lies off the south-east coast of the Asian mainland. It is an archipelago of 7,107 islands and islets. With so many islands, the Philippines have a huge range of opportunities for diving and snorkeling.

Magic Oceans Resort is a small, welcoming and intimate dive resort located by the water's edge in Anda, on the island of Bohol. There are 16 bungalows hidden in lush green surroundings providing the perfect base for a dive holiday.

Anda, with its impressive 17km of diving opportunities and 28 dive sites, is undoubtedly a haven for diving enthusiasts. The abundance of marine life and the vibrant colors of the corals make it an enchanting destination for underwater exploration. The sheer diversity of diving options, including muck diving, coral covered walls, sandy slopes, small caves, mangroves, and sandy bottoms teeming with life, ensures there's something for every diver's preference.

The marine biodiversity is truly remarkable, ranging from the tiniest creatures like Pygmy Seahorses and Nudibranchs to larger schools of fish. It's thrilling to know that lucky divers might even have the chance to encounter impressive creatures like the Whale Shark or the occasional Manta Ray during their dives. The presence of the Bargibanti Pygmy Seahorse as the star of the waters adds a special attraction to the dive sites. This tiny creature, with a maximum length of only 1 inch, is a true gem for macro photography enthusiasts. For those wanting to get up close and personal with a Whale Shark, then a day trip to visit Lila - Bohol is essential. This is an adventure day not to be missed !
